

Community Investment – APPLY NOW!

Rey Resources snapshot

Rey Resources Limited (Rey Resources) is a small Australian ASX-listed exploration and development company proposing to develop the Duchess Paradise Project in Western Australia's Canning Basin.

The proposed Duchess Paradise Project is an estimated 20-year, low-impact slot and underground mining and export operation with a planned export rate of up to 2.5 million tonnes per annum (Mtpa).

The Project is based on one of the highest energy coal sources known in Western Australia.

Rey Resources is offering community groups, bodies and/or projects operating in the Shire of Derby / West Kimberley an opportunity to access support funding by applying to our Community Investment Fund.

To be eligible for support, proposals need to meet certain funding criteria, be complementary to Rey Resources key community investment focus areas and demonstrate sustainability and lasting benefits.

Rey Resources Community Investment is designed to support grass roots community events, programs and activities in the Shire of Derby / West Kimberley.

The program is designed to support events or activities that require a one-off investment of less than \$2000.

Key areas of focus

In addition to creating economic, job and business opportunities within the region, Rey Resources wants to:

- Make a positive contribution to Indigenous economic and social development

- Contribute to local education and training opportunities
- Support community events / activities promoting community wellbeing
- Target programs that protect and enhance the natural environment

Applications should outline how the submission meets one or more of Rey Resources community investment priority areas.

Eligibility

To be eligible for funding the applicant must:

- Be a not-for-profit group or organisation with an auditable organisational bank account
- Demonstrate how the funding will meet the "key areas of focus" above
- Be able to demonstrate a high level of community involvement and acceptance of the proposed initiative's goals
